Presidential Management Intern Program

On 20 September 1977, the DCI approved our participation. In our paper we suggested one or two interns each year.

We suggested one this year.

New note dated 18 November from Mr. Campbell of the CSC complaining that he has not heard from us re this program. Apparently he requested it in 15 September memorandum. May have been lost in mail--not in OD/Pers files. New deadline of 8 December which requires:

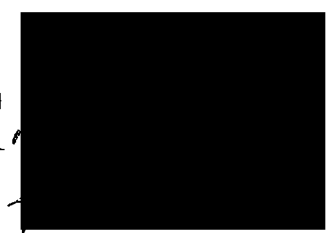

a. An estimate of the number of interns.

b. The type of positions and distribution between Headquarters and the Field. Inasmuch as it is in the general field of public management, it may be more feasible to assign the intern to the DDA because of the sensitivity of having a person for only a short period--we question Comptroller's office assignment.

c. Designated key official to coordinate.

STATINTL We recommend Mr. [REDACTED] DD/Pers/Recruitment and Placement.
